Thank you for choosing to schedule your eye examination appointment with Medina Vision Centre. Please fill in the enclosed patient information forms. Office policy requires updated forms each calendar year. Bring them along with your current insurance cards, both **vision** and **medical**. If you choose, you can also email the forms along with front and back copies of both your vision and medical cards to info@medinavisionandlaser.com.

**PLEASE BRING YOUR GLASSES, SUNGLASSES
AND/OR CONTACT LENS BOX/BLISTER PACK TO
YOUR APPOINTMENT.**

Please check with your insurance company to be sure of your coverage before your appointment. If your insurance is an HMO and requires a referral, we need to have that before seeing you. Please contact your primary care physician to obtain it. We have included a FAQ sheet to use when calling for *routine vision benefits* through your *medical insurance*.

INSURANCE COPAYS ARE DUE AT THE TIME OF VISIT.

If you have an appointment on a Saturday, please remember office policy is no dilation; it is required to have the Optomap Retinal Screening at an additional charge.

If you are unable to make your appointment, please try to give us 24 hour notice. Thank you for choosing Medina Vision Centre. We look forward to SEEing you!
